

# Image Permission Form

## US Antarctic Program Digital Photo Library

**Use this form to permit the National Science Foundation to use your image.**  
Fax the completed form to 303.790.9130. We will contact you to arrange to receive the image(s) by mail or e-mail. Photos may be added to the digital library with NSF approval.

### Agreement

1. I grant the National Science Foundation and its contractor permission to use and distribute, but not sell, the described image. I understand that anyone who wants to sell the photo for profit will contact me.
2. I certify that any person who is recognizable in the image has granted to me permission for the image to be used by the public, including news media.
3. I retain copyright as in NSF's Grant General Conditions, section 18. ([www.nsf.gov/pubs/policydocs/gc1\\_607.pdf](http://www.nsf.gov/pubs/policydocs/gc1_607.pdf))
4. NSF or its contractor will post the image on the US Antarctic Program Digital Photo Library Web site to be available to the public. Anyone, including news media, may reproduce and use the image.
5. NSF or its contractor will post with the image the photographer's name, photographer's institution if desired, date of photo and caption.
6. NSF will encourage users to credit the photographer, the photographer's institution if specified and the National Science Foundation.

I, \_\_\_\_\_ understand and agree to the terms of this form.  
(Print name)

Signature \_\_\_\_\_ Date \_\_\_\_\_

E-mail address \_\_\_\_\_

If you are currently a USAP participant, provide a personal e-mail address.

Telephone number \_\_\_\_\_

If you are currently a USAP participant, provide an off-ice phone number where you can be reached in the future.

### Photo Information

*Please provide basic information about the photo. We will rename the photo and write the caption, but need to know where the photo was taken, what is going on, who is in the photo and the date taken.*

*Examples: IM0334.jpg - Calkin Glacier in Taylor Valley, 11/4/07*

*P40523.jpg - GA Dan Jones shoveling trench at New Harbor, 10/28/06*
